FOR SPEAKERS: Thank you very much for your participation. To discuss your remarks in advance, please contact Mary Kelley at 916/657-2666. In general, please try to keep your comments to a minute and a half per speaker as the agenda is somewhat long. The overall message of the event is that a wide range of stakeholders and public agencies continue to support the CALFED process and intend to remain involved as we move into Phase II.
